

Department of Pathology & Laboratory Medicine - Recruitment/Succession Intake Form

The Department is developing a library of recruitment submissions in order to be responsive to funding requests.

Please populate the proposal template with all available details that you feel are relevant at this stage. This is a living document, and additional details can be added at a later time. Should the Strategic Recruitment Committee prioritize the proposal, we will work with you to finalize it and develop an opportunity specific proposal.

All information submitted will be treated as confidential by the Strategic Recruitment Committee and will be used only for recruitment purposes. Please contact Genevieve MacMillan for additional information.

Please email the completed Intake Form to Genevieve.macmillan@ubc.ca

<p>Proposed Position Title</p>
